

KUCI 88.9 FM SUMMER MUSIC LISTENING GUIDE

BUILT TO SPILL *You In Reverse* (Warner Brothers) The latest in the BTS series of multi-guitar, melodic, indie-rock assault from the pacific northwest.

MAN MAN *Six Demon Bag* (Ace Fu) This band is the secret, unholy offspring of a drunken tryst between Captain Beefheart and Tom Waits.

KIMYA DAWSON *Remember That I Love You* (K) Honest, heartfelt, uplifting, funny and emotional anti-folk tunes from this former Moldy Peach.

LOST BAYOU RAMBLERS *Bayou Perdu* (Shallow) The best Cajun music on the planet Chol Col!

PINK MOUNTAINTOPS *Axis of Evil* (Jagjaguwar) Can an album be both about Jesus and tons of drugs? It's like a stoner-rock revival tent up in here (and it's totally awesome).

ISLANDS *Return to the Sea* (Equator) Fun, tropical pop that has arisen from the Unicorns like a phoenix from the ashes of an equally awesome phoenix that is also a robot.

THE DRESDEN DOLLS *Yes, Virginia...* (Roadrunner) The greasepainted cabaret-punk duo marches on with more songs about sex changes and drinking.

CASIOTONE FOR THE PAINFULLY ALONE *Etiquette* (Tomlab) Lo-fi pop gems perfect for late night games of Scrabble.

MATMOS *The Rose Has Teeth in the Mouth of a Beast* (Matador) More musique concrete audio awesomeness from San Francisco academics-cum-Bjorkbuddies.

THE MOUNTAIN GOATS *All Hall West Texas* (Emperor Norton) This isn't new, but it's such a damned good, and criminally underappreciated, piece of songwriting genius that our music director snuck it onto this list.

VARIOUS ARTISTS *Dub Club : Picked From the Floor* (G Stone) Bass heavy modern dub and dancehall stormers combined with broken beat from Austria's 'G Stone' label.

DABRYE *Two/Three* (Ghostly) Detroit city native combines moody, BladeRunner-esque beats & basslines that provide the backbone with guests such as Jay Dee, MF Doom, Waaheed, Invincible and other top qualified talent.

NOMO *New Tones* (Ubiquity) A blend of big band funk, riotous jazz and a bit of electronics team up to move both bodies and spirits.

FINAL FANTASY *He Poos Clouds* (Tomlab) This guy gets his geek on by writing indie rock, as arranged for a string quartet, about Dungeons and Dragons.

SUNSET RUBDOWN *Shut Up I Am Dreaming* (Absolutely Kosher) Wonderfully over-the-top indie rock from this member of Wolf Parade.

MIKE BARNET *Bourgeois Backlash EP* (True American) Thought provoking and socially aware, Mike Barnett's lyrics contain a spirit that is missing in most songs written today.

KUCI PUBLIC AFFAIRS PROGRAMMING

Irvine, California
SUMMER
SCHEDULE

KUCI is a free-form alternative non-profit University of California radio station broadcasting at 88.9 FM from a 200-watt transmitter at the campus of UC Irvine in Orange County, California.

As one of the very first radio stations to broadcast via the Internet and one of the first iTunes podcast stations, KUCI provides the widest array of voices and music to listeners in Orange County and the world.

For more program information, a history of the station, a photo gallery and much more visit KUCI.org. For more information about public affairs guests and topics visit KUCItalk.org.

Please send your tax-deductible donations made payable to KUCI to:
